

# SUPPORTING \* UNIFYING \* NURTURING

Last Monday of Every Month at 1:00pm

Group Facilitator: Randy Thompson, B.A.

11191 Illinois Route 185

Hillsboro, IL 62049

This monthly, one hour long, support group to the public for those raising non-biological children.

The likely candidates for this group include: Step-Parents, Foster Parents, Grandparents, Aunts/Uncles, along with family and friends.

This is NOT a therapy group.

This support group is an opportunity for individuals who share experience of raising (either permanently or temporarily), **non-biological** children to gather and share experiences, resources, and concerns, while listening and supporting each other in their journey.
