The Reserve Auto Restorations LLC, based in Bethalto, IL, is a premier shop specializing in classic car restorations and custom builds. We offer frame-off restorations, custom fabrication, performance upgrades, and expert body and paint work. Combining old-school craftsmanship with modern techniques, we create vehicles that are both authentic and high-performing. We're driven by attention to detail, technical excellence, and artistic integrity, delivering show-quality results for discerning clients.

Schedule – Monday- Friday 8AM – 5PM (1 hour lunch)

Roles – Auto Body Technician, Automotive Mechanic & Automotive Painter

We're looking for a skilled **Auto Body Technician** to join our growing shop. If you take pride in quality work and enjoy seeing a build come together from start to finish, we want to hear from you.

Job Responsibilities:

- Perform auto body repairs including disassembly and reassembly
- Surface prep: sanding, priming, masking, and blocking
- Repair dents, rust, and damaged panels using body filler
- Align panels and ensure proper fit and finish
- Work closely with painters and shop team to meet deadlines

Requirements:

- Previous auto body or collision repair experience preferred
 - Knowledge of repair techniques, materials, and shop tools
 - Strong attention to detail and quality workmanship
-

We're looking for a dependable **Automotive Mechanic** to join our growing shop. If you're experienced, motivated, and take pride in doing the job right the first time, we want you on our team.

Job Responsibilities:

- Perform engine removals, installations, and swaps on classic and custom vehicles.
- Handle all related mechanical systems, including transmission, drivetrain, cooling, fuel, and electrical connections.
- Diagnose, troubleshoot, and resolve issues during and after engine installations.

- Ensure proper fitment, alignment, and secure mounting of engines and components.
- Collaborate with the team to maintain quality, safety, and performance standards.
- Experience with classic cars, high-performance engines, or custom builds preferred.

Qualifications:

- Previous automotive repair experience required
 - Strong diagnostic and problem-solving skills
 - Familiarity with shop tools and diagnostic equipment
-

We're looking for an experienced **Automotive Painter** to join our growing shop. If you have an eye for detail, take pride in your finishes, and enjoy seeing high-quality work roll out the door, we want to hear from you.

Job Responsibilities:

- Prep vehicles for paint (sanding, masking, priming, blocking)
- Mix and match paint to factory and custom colors
- Spray basecoat, clearcoat, and specialty finishes
- Operate and maintain spray guns, paint booth, and related equipment
- Buff, polish, and perform final finish work as needed

Qualifications:

- Previous automotive painting experience required
 - Knowledge of paint systems, materials, and application techniques
 - Strong attention to detail and quality control
-

All Roles require the following:

- Proficient in welding and metal fabrication
- Ability to work independently and as part of a team
- Reliability, punctuality and detail-oriented

What We Offer:

- Competitive pay based on experience
- Consistent work in a busy shop with a positive team environment
- Opportunity for growth and long-term employment
- Paid Holidays, after probation
- Medical, Dental & Vision Insurance Options

Pay: Starting at **\$20/hour**, with higher rates based on experience and skill.
