

- **Automotive Window Tint Installer**
- **Job Description:** This role focuses on the precision application of window films to vehicles to reduce glare, block UV rays, and enhance privacy. You will be responsible for cleaning glass surfaces, custom-cutting film to size, and heat-shrinking film to fit curved automotive glass.
- **Qualifications:**
  - 1–2 years of automotive window tinting experience.
  - Knowledge of local window tint laws and regulations.
  - Strong manual dexterity and attention to detail for clean, gapless edges.
- **Requirements for the job:**
  - Proven ability to work in a fast-paced environment (1–3 cars per day minimum).
  - Flexibility to work overtime or Saturdays during peak seasonal periods.
  - Reliable transportation and a valid driver's license.
- **Benefits / Incentives:**
  - Accrued PTO and Paid holidays
- **Salary:** \$16.00 – \$20.00 per hour
- **Location of the job site:** 125 W. Macarthur Cottage Hills, IL, 62018
- **Hours / Days Per Week:**
  - **Position Type:** Available as Part-Time, Full-Time, or Internship.
  - **Schedule:** Specific hours will be determined based on the position type (Part-Time vs. Full-Time) and the needs of current creative projects.
- **Location of the job site:** [Fenix 5ive](#), 125 West MacArthur Drive, Cottage Hills, IL 62018.
- **Application Procedure & Deadline:**
  - **How to Apply:** Interested candidates should email their resume and portfolio of work to FENIX5IVE@GMAIL.COM. You may also text 1-618-917-4491 for more immediate inquiries.
  - **Deadline:** Applications are reviewed on a rolling basis; apply as soon as possible for full consideration.
