

Now Hiring: Computer Operator – REJIS

Ready to launch your IT career? REJIS is hiring a Full-Time Computer Operator to join its state-of-the-art REJIS Operations Center (ROC) in St. Louis, MO! No previous IT experience? No problem—paid training is provided!

 Location: 4255 W. Pine Blvd., St. Louis, MO 63108

 Starting Pay: \$18.96/hour (higher pay possible based on experience, certifications, and education)

 Full-Time | 40 Hours/Week | Overtime Eligible

What You'll Do:

-  Monitor critical systems and data center operations
-  Troubleshoot hardware, software, and network issues
-  Perform software installations and server patching
-  Reset passwords using Active Directory
-  Provide excellent customer support and respond to system alerts

What They're Looking For:

- ✓ Strong interest in IT and technology
- ✓ Great customer service and communication skills
- ✓ Willingness to learn and grow
- ✓ Microsoft Windows/Office experience is a plus
- ✓ Technical school, self-study, or customer service experience accepted

Schedule & Benefits:

 Compressed 4-day work week

Sunday–Wednesday or Wednesday–Saturday

Three 12-hour shifts plus one 6-hour shift

 3+ weeks of vacation

 Career growth and professional development opportunities

 Work in a secure, state-of-the-art data center supporting law enforcement and local

agencies throughout the St. Louis region.
